## Current News and Prayer Concerns—October 2011

**20<sup>th</sup> Anniversary—Christ Church**  
Christ Church in Schwarzenborn, Germany will celebrate the 20<sup>th</sup> anniversary of its founding and of Bishop Gerhard Meyer's ordination Oct. 29-31 at the Knüll Conference Center. You can send a greeting to [ambrosius@gmx.de](mailto:ambrosius@gmx.de)

**Serious health questions** required missionary Judy King to return to the US in September for medical tests. Bible school sessions planned for the Apurina Indians were canceled. Your prayers are appreciated. Updates are posted on the mission website and Facebook.

**Nepal:** Monsoon rains caused crop destruction and damage to church building and homes. Aid gifts can be sent to the REC Mission Board.

The 2-page October report from the Anglican Church in Nepal will soon be posted on the Mission website. See pictures, prayer requests and information including:

- A recent graduate of the Anglican Church's training school started a new fellowship group in Western Nepal.
- A seminar on ministries to Youth, Children and Women led to the formation of 3 task forces developing projects for these groups.
- The first Nepali Anglican priests are to be ordained this fall

**Learn how your parish can be involved on this frontier of missions in the 21<sup>st</sup> Century!** Come to the Southeast Asia Symposium **Jan. 26<sup>th</sup>-27<sup>th</sup>** at St Vincent's Cathedral, Bedford TX. Details soon on our website.

**Croatia:** The President of Croatia visited the REC parish of Tordinci on Oct. 6, in recognition of the 460<sup>th</sup> anniversary of Protestant ministry in that town.

**Archdeacon Jasmin Milić writes:** *Our Church of The Good Shepherd in Osijek and our Church in Tordinci were truly*

*blessed by the visit of the REC team from the USA that visited us from July 18 to August 1, 2011. That was a special blessing for the Church of Good Shepherd in Osijek, which has been returned to its owners in May 2011 after eight years. The church building was returned in poor condition and a lot of work and money needs to be invested to make it functional once again. With the help of the Reformed Episcopal Church and the team that came to help and serve us, great progress has been made.*

**Local Parish/Global Mission:** St George's REC (Hamilton ON) held their 3<sup>rd</sup> **Open Doors** for International Students. 600 hamburgers were served. 2 new Asian students attend worship and ESL classes. On Episcopal visit, Bp David Hicks presented a Mandarin Bible to them.

### Current Mission Projects:
